# **INVITATION OF PUBLIC COMMENTS**

## PROPOSED AMENDMENTS TO PSX REGULATIONS IN RELATION TO PUBLIC DISSEMINATION OF PENAL ACTION(S) TAKEN BY PSX AGAINST NON-COMPLIANT LISTED COMPANIES

This is to inform that the Pakistan Stock Exchange Limited (PSX), in exercise of the power conferred upon it u/s (7) of the Securities Act, 2015, is proposing to insert an enabling provision in PSX Regulations to publically disseminate the penal action taken by PSX against listed companies through enforcement orders on account of violations of PSX's Listing Regulations.

Stock exchanges play a critical role in ensuring market transparency by enforcing continuous reporting and disclosure obligations on the listed companies. These measures are meant to safeguard the interests of investors and uphold the integrity of the market. If a listed company fails to adhere to these requirements, stock exchanges are empowered to take enforcement actions, which include imposition of fines, suspension of trading, or delisting in extreme situations.

PSX monitors compliance of listed companies with continuous reporting and disclosure obligations as set out in the PSX Regulations and takes appropriate disciplinary and penal actions against companies contravening the listing standards. PSX regularly issues public notices to disseminate the regulatory action of regressing a non-compliant company to a Non-Compliant Segment or Winding Segment, suspending trading in its shares, advising CDC to freeze the shares of the company held by the sponsors, directors and senior management of the company etc.

## **Proposed Amendments to PSX Regulations:**

STOCK EXCHANGE

In line with international practices found in various regional stock exchanges, PSX now proposes that in addition to the public dissemination of regulatory actions as aforesaid, the other penal actions such as imposition of fine taken against a non-compliant listed company should also be disseminated publicly on its website along with the description of the violation committed. The public reporting of penal actions is aimed at enhanced accountability and transparency.

In view of the above, PSX is proposing to insert a clause 5.21B in Chapter 5 of PSX Regulations to empower it to:

- (a) Notify the information relating to disciplinary action(s) taken against a listed company after due process of providing an opportunity of being heard and issuance of enforcement order on account of violation(s) of the requirements set out in PSX Regulations; and
- (b) Publish on its website, and update every quarter, a consolidated report in respect of disciplinary actions taken against the listed companies during the past three (03) years.

The proposed amendments to PSX Regulations are attached herewith as Annexure A.
