Subject: **AVAILABILITY OF BACKUP POWER FOR 24 HOURS**

Dear Mr. Khan,

This is in reference to the subject captioned above, it is to request you that the summer season has commenced and frequent breakdowns of electricity post-office hours are expected. This irregular supply of electricity may hamper the office backup and IT infrastructure of many brokers, hence, they will be unable to provide the additional facilities to their clients. For this, it is imperative for them to ensure connectivity of IT for 24 hours.

In this regard, we request your authority to arrange for a backup power post-office hours. As this facility will enable the brokers and their IT infrastructure to provide the additional services for 24 hours.

We hope you will understand the need of the brokers and make the necessary arrangements as requested above.

Regards,

Cc: **Mr. Nisar Ahmed Qazi** - Head of Administration - PSX.
