CONSULTATION PAPER

Transformation of The Regulatory Framework for Section 42 Companies

Licensing & Registration Division
Licensing Department

Section 42 companies are registered for the purpose of serving the marginalized and philanthropic areas. Considering the trust and confidence that the public imposes on the promoters/directors, it is critical to have an effective regulatory regime for such not for profit companies. The objectives of not for profit organizations are also served by entities that are not registered as company with SECP. In Pakistan there are multiple laws governing such organizations such as trust, societies, joint stock companies registered with respective provinces (under section 3 of the Companies Act, 2017) and others.

1. EXISTING REGULATORY FRAMEWORK & LANDSCAPE:

- 1.1 The Companies Act, 2017 (the "Act"): A Section 42 company is registered under the provisions of the Act, read with the Companies Regulations, 2024 (the 'Regulations'). The objective of such companies as per the Act entails promoting commerce, art, science, religion, health, education, research, sports, protection of environment, social services, charity or any other useful object.
- 1.2 **Respective Provincial Charities Acts:** All Section 42 companies are required to get themselves registered with respective provincial charities commissions, except for, Balochistan and ICT.

A list of provincial charities acts is appended below:

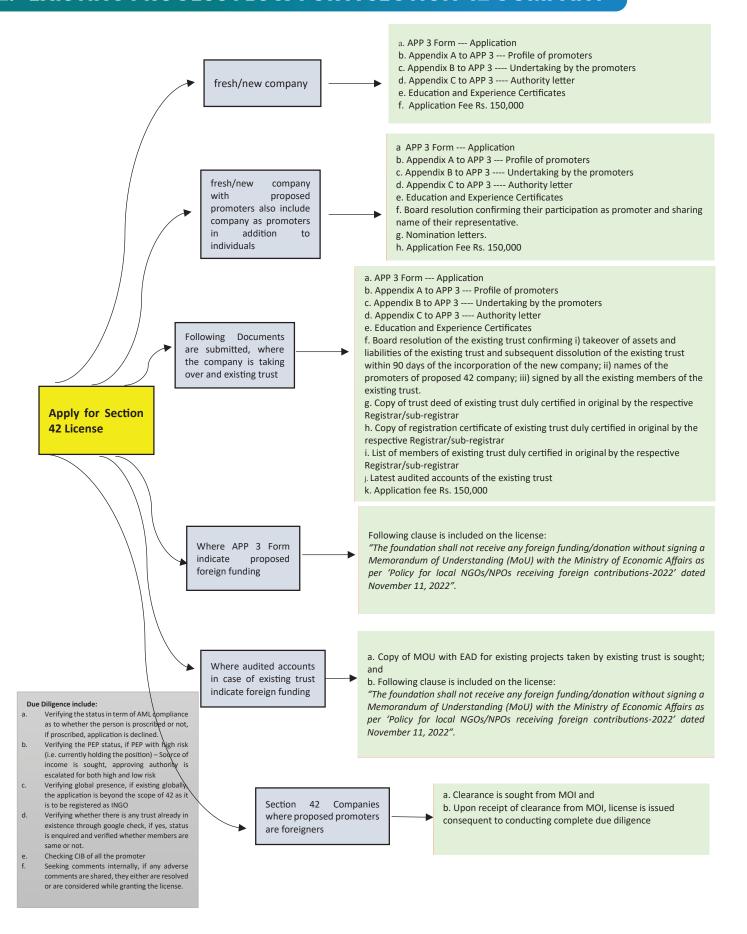

- i). The Punjab Charities Act, 2018:
- ii). The Sindh Charities Registration and Registration Act, 2019
- iii). The Balochistan Charities (Registration, Regulation and Facilitation) Act, 2019
- iv). KPK Charities Act, 2019
- v). The Islamabad Capital Territory Charities Registration, Regulation and Facilitation Act, 2021

The charities commission have been established with an aim to ensure that charities in Pakistan operate effectively, transparently, and in alignment with their stated missions, while safeguarding the interests of donors and beneficiaries. Following are the broad roles of the charity commissions as per their respective laws;

- i). Maintain public trust and confidence in charities;
- ii). register charities;
- iii). Protect charities and the beneficiaries thereof;
- iv). Ensure that charities and promoters comply with their legal obligations in exercising control and management of the administration of the charitable funds;
- v). Issue necessary advice to the charities and charity trustees;
- vi). Ensure effective use of charitable funds;
- vii). Institute a mechanism for effective monitoring and accountability of charities, promoters, collectors and recipients;
- vi). Hold, if necessary, an enquiry into the affairs of a charity or charitable fund;
- vii). Alter or set aside sanction of collection of funds;
- viii).Receive and examine annual audit report of a charity or charitable fund;
- ix). Conduct or cause to be conducted a special audit of a charity or charitable fund;
- x). Issue guidelines for proper accounting, management and utilization of a charity or charitable fund.

- 1.3 Tax exemption status in light of Income Tax Ordinance, 2001; Tax exemption certificates are issued to Section 42 Companies for claiming tax credit under section 100(c) of the Income Tax Ordinance, 2001, by the Commissioner FBR or Pakistan Centre for Philanthropy ("PCP") as notified by FBR.
- 1.4 Trusts or Societies registered under various Pakistan's Trust Acts, Societies Act and others; Trusts or Societies registered in Pakistan under various acts, if allowed by the respective laws, can be converted into a Section 42 Company. The conversion rate in the recent past is on an increasing trend because of amendment in the specific laws. The requirements for such conversions are specified in the Regulations.
- 1.5 Ministry of Economic Affairs (MoEA); MoEA vide Policy dated November 24, 2022 provides for mandatory requirement of signing of MOU between MoEA, the donor and the receiver of foreign funding with the exceptions listed in the policy. Accordingly, all Section 42 Companies receiving foreign funding are required to ensure compliance.
- 1.6 Security Clearance from Ministry of Interior (MOI); MOI vide correspondence dated October 24, 2000 instructed to seek clearance from MOI where foreign funding is involved, while processing application of seeking registration under Section 42 of the Act.
- 1.7 Clearance from Pakistan Sports Board and Ministry of Religious Affairs; Pursuant to standing instructions of Ministry of Inter Provincial Coordination, Government of Pakistan, Islamabad vide letter dated February 10, 2022, no case of registration is processed without NOC of PSB, in order to ensure registration of genuine National Sports Federations (NSFs)/Sports Bodies. Similarly, in the matter of applications for constitution of Madaris and allied issues, NOC is to be obtained from Ministry of Religious Affairs.
- 1.8 Use of word "Nation" and associated words including Pakistan; Pursuant to the decision of the Cabinet in its meeting held on April 17, 2024, the use of name of "National" or any similar sounding word that gives the impression of a "government" or "public sector" entity is prohibited to be used by any private entity.

2. EXISTING PROCESS FLOW FOR A SECTION 42 COMPANY

3. ISSUES/PROBLEM STATEMENT

3.1 Province-wise Registration of Section 42 Companies; As per available record, there are 1269 licensed Section 42 companies as of September 5, 2024. Region wise breakup of Section 42 Companies is tabulated below;

Description	Faisal -	Gilgit	Islamabad	Karachi	Lahore	Multan	Peshawar	Quetta	Sukkur	Not	Total
	abad									Incor-	
										porated	
Licensed	21	7	539	262	289	34	48	14	6	35	1269
Entities											

The above tabulated data highlights that ~42% companies are incorporated in Islamabad; ~23% in Lahore and ~21% in Karachi. ~16% of the license holders have been certified by PCP and ~4% of the license holders have MoUs signed with MOEA w.r.t foreign funding. The above indicates compliance issues and need to be addressed.

- 3.2 Section 42 companies are registered at the neighborhood to city, district and national level. However, the public doesn't have access to the detail as to whether any section 42 company is operating and licensed within their vicinity, neither any details in terms of the purpose or the objective that section 42 company is serving is available with them. Meaning thereby that donation providers and contributors have no knowledge or access to such data from which they can identify the entities operating in their areas/cities/provinces for a certain cause.
- 3.3 Section 42 companies utilize public funds for specific cause; the money is a trust money solicited and received for promotion of the objective(s) or purpose, either from individuals (or groups of individuals) in society, corporate entities, governmental entities or international organizations. The obligation to deliver or perform specified service or work according to purpose of donations/contributions from individuals or institutions create:
 - a moral obligation, by whichever way it is received;
 - a legal obligation to use the funds for what it was solicited; and
 - a responsibility for the companies to provide visibility and transparency on the utilization and spending patterns;
- 3.4 Lack of documentation integration of multiple regulatory authorities In Pakistan, as stated a section 42 company is required to be licensed with SECP, register a company, open a bank account, seek tax exemption from FBR (either through Commissioner FBR or PCP), have to register with respective Provincial Charities Commissions, sign an MoU with EAD in case of receipt of foreign funding. None of these are integrated with each other and therefore have no information w.r.t each other's data regarding section 42 companies.
- 3.5 Since the license of section 42 company is granted considering the profile of the promoters it becomes evident that the same expertise continue to effectively discharge the objective, the section 42 company initially intended for or in case it subsequently changes its object. However, consequent to the license there is no requirement that ensures or monitors that the directors on board have the requisite expertise and experience.
- 3.6 Because of amendments in Trust and Societies Acts, a large number of organization intend to convert them to section 42 company and as a consequence exisiting trust or society is to be revoked within certain period, however, the mechanism to ensure that the same is complied has not been enunciated and need to addressed in the regulations.
- 3.7 If a section 42 company intends to revoke or is being revoked, the revocation process is not smooth and take number of years to complete.

4. WAY FORWARD TO ADDRESS THE PROBLEM STATEMENT

4.1 Proposed Regulatory Amendments in the Companies Regulations 2024

Proposed amendments have been classified in accordance to the corporate governance behavior each would lead to:

A. Competent management and good governance

- i). Annexure A provide proposed standardization of the object clause and also the of requirement education as specified against each. In addition to the relevant resource for the standardized object clause it is proposed that at least 3 of the promoters should be graduate in addition to the requirement that CEO of the company must possess relevant experience in the principal line of business.
- ii). All the directors/promoters/CEO must have active tax payer status;
- iii). Since the license is granted considering the profile of directors, it seems imperative that approval of appointment or reappointment of directors and CEO either consequent to the elections or creation of casual vacancy be obtained from the Commission.

B. Conversion of existing trust/societies to Section 42 Companies

- i). Any society or trust registered under any framework cannot act as promoter, however, existing trust/society can be taken over by the proposed section 42 company.
- ii). In case of existing trust/society being combined with 42 company, the existing trust shall be dissolved within 90 days of the Incorporation of the company and evidence of the same to be provided to the Commission, post takevover of the existing trust/society auditor certificate shall be submitted by the section 42 company;
- iii). Description of takeover assets and allied details to be made part of the application form based on the audited accounts.
- iv). If an existing trust is not dissolved within 90 days of the date of incorporation of section 42 company, license revocation process shall be initiated leading to striking off the company.

C. Transparency and reporting requirements

- i). QCR rated auditor is being considered to be made mandatory for the audit of different sized companies.
- ii). Reporting of Foreign Funding on annual basis, with filing being mandatory even in case of NIL foreign funding during the period;
- iii). PCP certification is being considered to be made mandatory every three years for certain sized section 42 companies.

D. Aligning the framework

i). In case foreign funding is planned to be received at the time of application, MOI clearance shall be a pre-requisite for license. In case, foreign funding is received subsequent to the grant of license, the company shall only receive such funding consequent to security clearance from MOI.

- ii). The section 42 company shall not receive funding/foreign funding from black listed International NGOs (INGOs) or INGOs having operations in Pakistan and not registered as INGOs in Pakistan.
- iii). Application Programming Interface (API) is proposed to be created between SECP and Charities Commissions, PCP, MoEA and FBR for information sharing.
- iv). Every section 42 company shall mandatory register with the respective provincial Charities Commission and provide evidence of the same within 6 months of incorporation. For existing section 42 companies, they need to comply with the requirement within 1 year of promulgation;

E. Website maintenance:

- i). Maintenance of websites, with the information as specified in Annexure B.
- ii). Publication of lists of licensed entities on SECP's webpage along with their compliance status, their object and scope, and area/city of services provided.

F. Awareness campaign for ensuring compliance

i). Targeted outreach and awareness sessions for NPOs about applicable regulatory requirements;

G. Reviewing the revocation process

- i). To extend the period for transfer of assets of the company, after satisfaction of all debts and liabilities, is proposed to be revised from within ninety days from the date of revocation of licence to one year. This requires amendment in the Companies Act, 2017, section 43(1)(c).
- ii). To allow transfer of assets of the company whose licence has been revoked to any other not for profit entity, registered under any other law for registration of NGOs, whether or not having similar or identical objects. This requires amendment in the Companies Act, 2017, section 43(1)(c)

5. FEEDBACK ON THE WAY FORWARD SUGGESTED AND OTHER DETAILS IN THE PAPER

Feedback on the below listed areas is being desired:

- 5.1 What should be the size classification for section 42 companies;
- 5.2 Based on the proposed size classification in para 5.1, for which size /(s) PCP certification and QCR Rated auditor should be mandatory;
- 5.3 What additional requirement should be placed on webpage of the section 42 company (refer Annexure B);
- 5.4 Comments on Annexures A in terms of standardization of objects and
- 5.5 What practical issues the sector face in terms of revocation of section 42 company;
- 5.6 Input/comments of the suggestions included at para 4 above.

Input and response may be sent via email to Licensing & Registration Department (LRD) at regulatory.framework@secp.gov.pk as per below format:

Annexure - B

Following minimum information in English and Urdu languages on website, in addition to any other material information:

Profile of Company

- a. Vision, mission, principle business and other permissible business activities;
- b. Status of company (e.g. PIC, LSC, MSC or SSC under third schedule of the Act):
- c. Company Registration Number/Date and National Tax Number;
- d. Date/Number of license issued to the Company by the relevant authority where required;
- e. Address of registered office, head office and all other branch offices;
- f. Phone and fax numbers of head office, registered office and branch offices;
- g. Valid email address; and,
- h. Detail of subsidiaries/associated companies and their website links, if available.

Governance

- a. Profile of the Board of Directors;
- b. Shareholding pattern of companies having share capital;
- c. Name of Auditor of the Company; and,
- d. Name of Legal Advisor.

Investor Relations

- a. Purpose/Objective;
- b. Geographical location of operations;
- c. Details of sponsors;
- d. PCP Certification, if applicable;
- e. Registration status with respective charities commission; and
- f. Placement of audited financial statements of at least three years.
- g. Online form/contact details of person(s) designated by the company for assisting and handling investors' complaints and grievances;
- h. Updated logo of SECP Service Desk Managements System's ("SDMS") duly linked to the URL: https://sdms.secp.gov.pk/ (the logo is available at www.secp.gov.pk/document/re vised-sdms-logo/) along with the following disclaimer: "In case your complaint has not been properly redressed by us, you may lodge your complaint with Securities and Exchange Commission of Pakistan (the "SECP"). However, please note that SECP will enter tain only those complaints which were at first directly requested to be redressed by the company and the company has failed to redress the same. Further, the complaints that are not relevant to SECP's regulatory domain/competence shall not be entertained by the SECP."
- i. Corporate Social Responsibility Reports, if any;
- Notices of general meetings;
- k. Copy of any notice given by the member (having not less than ten percent shareholding in the Company) proposing appointment of auditor (s) of the Company in the annual general meeting;
- I. Site map; and,
- m Search facility.

Media

- a. National /International Awards, recognition, if any;
- b. Membership of industry associations and trade bodies, if any;
- c. Any other announcements or clarifications issued by the company; and
- d. Last Date on which website was updated.

Information to be provided at homepage of website

- a. Website link of SECP's investor education portal "JamaPunji" (www.jamapunji.pk) along with its logo at a prominent place on the homepage; and,
- b. Information of companies' own complaint handling cell and contact person(s) at a prominent place on homepage as a primary point of contact
